Education is unending life long process. It begins when one enters the stage of life until he / she has his exit. Formal education is given by educational institutions. The aims and objective of any educational institution must be to instill in the students genuine human and spiritual values, a genuine concern for the welfare of others and commitment to truth and justice and last but not least academic excellence and all round development of ones personality to meet situation in life. The Aim / Vision of Bharatiya Vidya Bhavan is To “Prepare global citizens to provide leadership for future”. We bring out our school magazine in your hands. Our sincere THANKS to all the parents, well-wishers, teachers and students for the support and cooperation.

FIRST DAY @ SCHOOL

The busy bees of Bharatiya Vidya Bhavan's-Al Saad Indian School entered the school with great joy and enthusiasm. Children walked up to their classes with confidence and excitement, but many parents waited outside curiously to see the joy on their kids face. The tiny tots were welcomed by KG2 children. The KG2 kids wore cartoon mask and shook hands with the little once and gave them chocolates. The tiny tots dipped their hands in the paints and placed their hands on the chart, as a mark of welcome @school. They had various activities during the day like rhymes, dance, coloring, etc.

KIDDIES CLUB FORMATION

The Kiddies Club was formed on 3rd May 2015. The aim for the club formation is the child will have a sense of responsibility and has an initiative in doing any work given to them. Our President of the club is ANIRUDH.V.MENON of KG 2 , The Secretary is AARUSH DUBEY OF KG1 . We also have Members of the Sports team as well .Our Sports Captain is FAHEEM ABDUL LATEEF of KG 2 and our Sports Vice Captain is KRITIKA MAHALE of KG 2. Being the Captain and Vice Captain they are the ones to lead their kiddies team and see that every child takes part in every sport events.

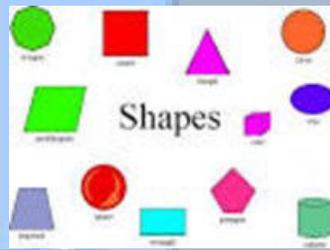

RAINBOW WEEK

The Blooming Buds of Bharatiya Vidya Bhavan Al Saad Indian School had their Rainbow Week on 12/04/2015. It was a real excitement for the kids for they represented the colors of the rainbow VIBGYOR. The class rooms were decorated with balloons and color paper to the colors of each day. The children were excited to see their class .All activities were done based on that color at the same time the child learns about colors . Drawing their favorite things based on the rainbow colors was done and children did a wonderful work .A rainbow rhyme was also sung by the children . these help the children to learn a lot.

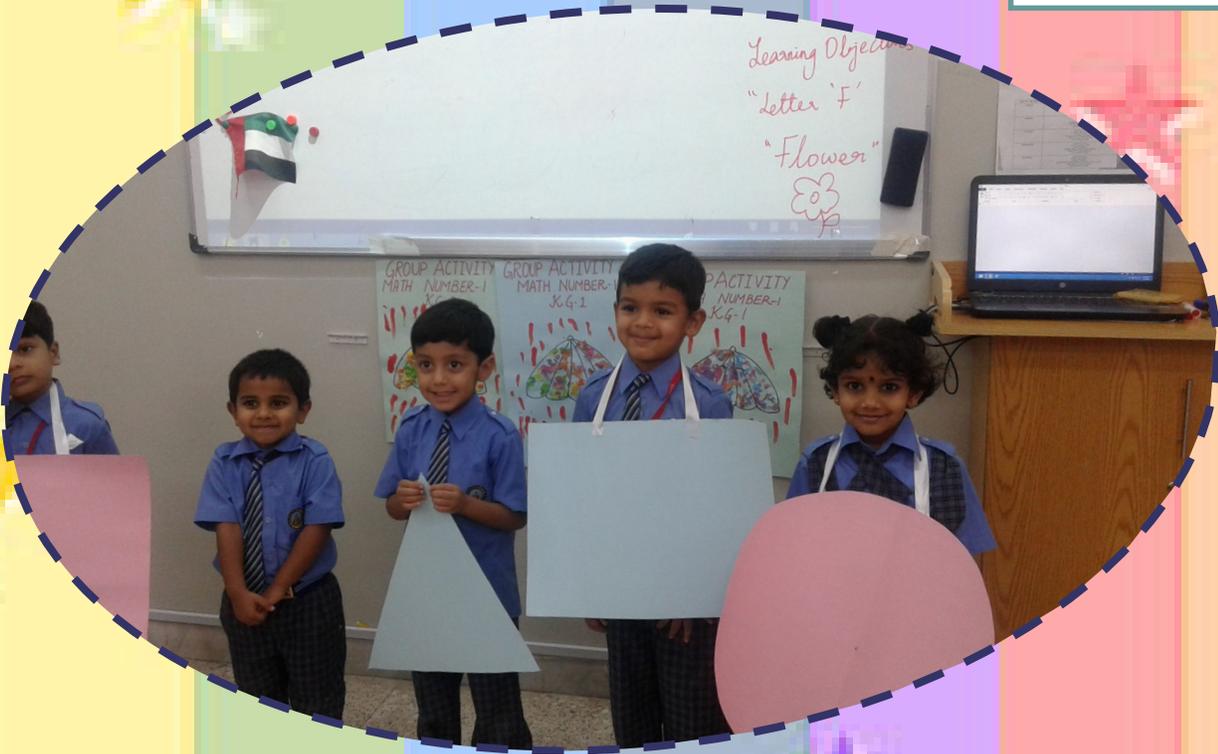

SHAPES DAY

The shapes day for our blooming buds was held on 31st May 2015 . This is done as the child learns about new shapes and they see different things around them and they should recognize what shapes they are. We had 5 shapes **CIRCLE**, **TRIANGLE**, **SQUARE**, **TRIANGLE**, and this time we introduced a new shape is **PENTGON**. Different shapes were made and hung on them and they had to the children were excited to perform with the shapes.

HEALTH & NUTRITION CULMINATION DAY

Kindergarten celebrated its HEALTH & NUTRITION CULMINATION DAY on 10th June 2015. All the students have participated in the event. The main aim is to cultivate the value of healthy food in our tiny buds. Children played different roles of vegetables, fruits, junk foods and other characters to present a musical skit. At the end parents appreciated it. We hope that in upcoming days we will be able to nurture a generation.
